

Mother Inez Peterson Green, affectionately known as “Mudea,” was born on March 19, 1927, in Quitman, Georgetown, Georgia to the parents of the late Mr. Henry Jones and the late Miss Emily Peterson. Inez was an only child, but she was raised in a house filled with love by her mother and grandmother. Later, in her life she found her half-brother, Alonza Jones, and they became close until his death. Even though she did not have any other siblings, she grew up with many cousins who became her sisters and brothers. She was educated in the public school system of Georgetown County, where she played basketball. She was a faithful and active member of the Old Corinth Missionary Baptist Church until her health declined. She served in many capacities, such as on the Board of Ushers, the Bible Study Outreach Ministry and was Mother of the Church.

Inez worked as a private sitter for the late Mr. Robert Peacock and Mrs. Sara Anne Peacock, who survives. At the age of seventeen, she met and later married the love of her life, the late Deacon Bobby Lee Green, Sr. They were united in Holy Matrimony for over 54 years until his passing. In addition to her parents and her husband, she is also preceded in death by three daughters: Mrs. Carrie Irving, Mrs. Mattie Jones, and Miss Brenda Green and two sons: baby boy, Robert Green and Mr. Bobby Lee Green, Jr.

On Sunday, January 29, 2023, Mrs. Inez Peterson Jones Green heard the voice of Jesus saying, “the battle has been fought and the victory has won— enter His gates.” Inez was indeed a virtuous woman who will be missed by all she touched along life’s way. She will forever be loved and cherished by her family and friends.
