

Those We Love

Those we love remain with us,
for love itself lives on,
and cherished memories never fade,
because a loved one's gone.

Those we love can never
be more than a thought a part,
for as long as there is memory,
they'll live on in the heart.

Those we love don't go away.
They walk beside us every day.
Unseen, unheard, but always near.
Still loved, still missed and very dear.

forever in our hearts
