I will always Love You

My only regret is that if I had known
that the last time I saw you,
would be the last time I saw you,
I would have HUGGED you a little tighter,
told you I LOVED you a little louder,
and STAYED by your side a little longer.
My mind knows that you are gone
but my heart will never accept it.
I miss you so much...

Until we meet again, forever in our hearts

I'M STILL HERE

*Just because you cannot see me,
does not mean that I'm not there
Just because I am in Heaven,
does not mean I do not care*

*I often see you crying
You often say my name
I want to hold you tight
I want to ease your pain*

*It's easy for me
for I know Heaven is real
If you knew the truth,
how much better would you feel*

*One day we will meet again,
but only when the time is right
When you step out of the darkness,
I will be standing in the light*
