

Our Father has Journeyed to the Promised Land
 Death beckoned Ronald with outstretched hands
 and whispered softly of "an unknown land",
 but he was not afraid to go.
 For though the path he did not know,
 he took death's hand without fear,
 for *He* who safely brought him here
 told Ronald *He* would lead the way
 into eternity's bright day,
 and so Ronald did not go alone
 into the "valley that's unknown".
 He gently took death by the hand
 and journeyed to the promised land.

forever in our hearts
Mr. Ronald Barner
