

We never said "I love you much,"
but yet you knew we cared,
and all throughout your entire life,
you always took time to share.

Your love and kindness have touched
so many lives as you journeyed here on earth,
and all who knew and love you
can truly say, you always gave the best.

Today, we're sad,
but yet we can rejoice,
for we will always know
that she is ever near.

We can hear you whisper
and it seems as though you say,
"Love God," "love your family,"
and "help your fellow man."

This is what she taught us,
this is what she lived,
and as we strive to do your will,
we know our Mother will smile.

For you know,
we want to meet you
in your new home in the skies.

Perhaps her Mother

I've done my work. I've sung my song.
Now, I shall go where I belong.
The Lord has willed it so.
He knows my heart, but *He* knows best.
He will not harm where *He* is blest.
So, good night. I'll take my rest.
The Lord has willed it so.
