I'm Free

Don't grieve for me, for now I'm free
I'm following the path God has chosen for me
I took His hand when I heard Him call
I turned my back and left it all
I could not stay another day
to laugh, to love, to work or to play
Tasks left undone must stay that way
I've now found peace at the end of the day
If my parting has left a void,
then fill it with it remembered joys
A friendship shared, a laugh, a kiss
Oh, yes, theses things, I, too, will miss
Be not burdened with times of sorrow
Look for the sunshine of tomorrow
My life's been full, I savored much
Good friends, good times, a loved one's touch
Perhaps my time seems all too brief
Don't lengthen your pain with undue grief
Lift up your heart and peace to thee
God wanted me now— He has set me free
